Note for readers

I actually made a mistake (actually many) with the names ^_^.
I didn't check the Author's blog until now, and
found out that he actually has the characters
profiles and everything ...

So, the names we had, were wrong...

"Ren" is actually Len...Well, there isn't any difference though.
But his last name wasn't "Preed" but Freed...
He is 18 years old, weights 61 Kg, his height is 177 cm...
That's as much as I understand from his profile lol

Lianne's name is actually Lien Maynard, she is 19 yrs. old,
weights 5 Kg, and her height is 166 cm.

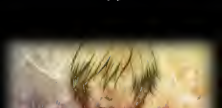
Jess Lucia was the only character's name we got right (laugh)
He is 18 yrs. old, weights 65 Kg, and his height is 181 cm.

Grandpa Jiji's name is Gigi Regan... mmm I don't know more... ^_^

A voice mixed with screams and

tears…

and on top of that...



the person of these questions...

THE SPIRIT

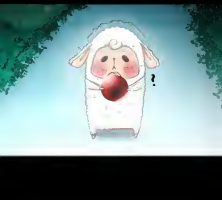
- 01 Chapter (7) -

Surrounded by the sacred aura of the forest



In this place located in the center of the sky

Are those who were chosen

and selected by the gods

Could it be by chance

And on top of that...

That's right... I still imagine it in my memories...

The dream that I had when I was younger

The me that was crying so sorrowfully

"It's alright"

Because those words made things even worse for me...

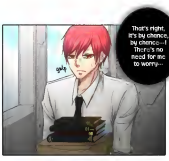
I... I... I began crying even more sorrowfully in my dreams...

That's right... It's that person...

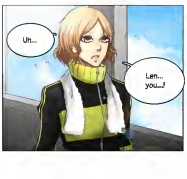
But... why?

Why does that person again...?

By chance...?



tremble
Why are my words and behavior different? Just why is my heart thumping so hard! Ugh... wait... that's not the problem right now... this...



Haha, it's alright, it's alright
Ah, that aside, there was something I wanted to ask you about a while ago...

Huh?
No
Where's Gray with...some...

Gasp
Gulp
<3

Ah should I seriously ask to change rooms...

What are you saying? What's wrong?

Ah... hmph...

Well, although it's a known fact amongst the agents that Sess is annoyed when he sleeps...
Hahaha
If we're roommates, wouldn't it be best for us to modestly adapt?

That'd cause more anger?! Really...
SIGH
GREAT

Yes... I find it most fun when you two are bickering about
Speaking of which... don't you seem kinda happy?

To think you'd be happy about other people's misfortunes. Horrible.

Len- Do I put it down here?
I wonder... I didn't see him when I came in...
Ah, yeah. But what about that old man Gigi? He's not here?

That's weird... He should definitely be here...
BAM BAM

TAP

Sneak~
Sneak~

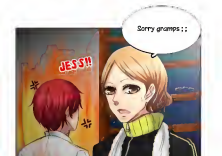
PEEK~

Aiyoo, it's Len and Lien, I see.
GRANDPA GIGI!!

Isn't that a history record book?
Uh...
Yes... It's not that there's a difference but recently there has been an upsurge of sinners and there is no definite cause yet...

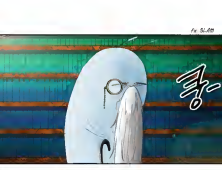
You're saying there's an upsurge of sinners?
That's exactly how it is. There has been an abnormal increase in speed of the upsurge of sinners than ever before...

So that's why I looked in the history record book; to see if there were any clues to the probable cause of this. Although this isn't a solid clue.
to this day, the Journal mentions only one upsurge of sinners...
However... that day...



So far, it's only been one time that there's been an upsurge of sinners...

There's only that one thing that can act as a clue...



If you speculate what the cause is while using that clue

something that isn't supposed to happen will happen...

Please, let my speculations be wrong.

To Be Continued Nextweek.

으어으어...
지각해서 죄송합니다.ㅠㅠㅠㅠ
지각한 이유는 다름이 아니라...

올리는걸 깜빡하고있었어요.ㅠㅠㅠ

러메이크 전 작품을 보신 분들은 아시겠지만,
제가 원래 월요일에 연재를했는데

이번에 러메이크를 거치면서
연재하는 날도 금요일로 바뀌거도요...ㅠ

그런데 월요일에 올리는게 습관화 되었는지
완전 까먹은거 있죠.::

그나마 다행인게.. 제가 늦게까지 작업하다가
그때서야 라도 생각하서 이렇게 올리는거..

죄송합니다.ㅠㅠ
다음에는 이런일 일어나지 않도록 하겠습니다.

THE SPIRIT은 금요일 연재입니다.
